**WORLD'S GREATEST UNCENSORED HYPNOTIST
AT THE STARDUST RESORT & CASINO**

Orlando, FL, June 6, 2003 - Anthony Cools is an entertainer unlike any other. His raw, uncensored live shows bring audiences to their knees (literally) as he combines hypnosis and comedy in an adult entertainment dimension unseen anywhere today, even in the most raucous club settings.

Mike Mascioli, Vice President of Mascioli Entertainment Corporation, is pleased to announce that fellow Canadian, Anthony Cools, has signed a lengthy agreement with Boyd Gaming Corporation to headline at The Stardust Resort and Casino in Las Vegas, NV. Mascioli commented "when Anthony signed with me for management in June 2000, our primary goal was to find a home in Las Vegas. It's been a long road, through thousands of miles of traveling to clubs and casino show rooms, and almost three years to the day, we have finally arrived!"

"With harem girl gyrations to the spanking of chairs, I knew we found the next adult act for the Stardust," said Terry Jenkins, Entertainment Director, Boyd Gaming Corporation. "Anthony's act is one-of-a-kind and entertaining as hell."

Cools' agent, Chuck Anthony of T. Skorman Productions said "in the forty years that I have been in this business, I have never wanted to sign anyone until I met Anthony Cools. The minute I saw him perform, I knew he was going to be a big star". Cools added "I'm going to kick some serious ass in this town and have the best time, ever, doing it. I am honored and excited at the prospect of becoming part of the Stardust's rich entertainment heritage and look forward to a long and crazy ride".

Beginning June 19th, Anthony Cools takes his comedic hypnosis to unconventional ends with a stage show guaranteed to offend some and entertain all with shows scheduled every Thursday, Friday and Saturday evening at 11:00 p.m.
