MICHELLE WRIGHT SIGNS WITH MASCIOLI ENTERTAINMENT CORPORATION

Paul Mascioli, President of Mascioli Entertainment Corporation, is pleased to announce that BMG recording artist MICHELLE WRIGHT has signed with the Orlando-based entertainment agency for booking representation in the United States and Europe.

Since her 1990 Arista/Nashville self-titled debut CD, Wright has been drawing rave reviews for her powerful voice and her distinctive style. Over the subsequent 13 years, she has amassed a total of twenty-five Top Ten hits in her homeland of Canada, sold nearly 2 million albums in the United States and Canada, and walked to podiums in music centers like Los Angeles and Toronto to accept more than 30 major awards. Wright enjoys an international career that has seen her grace concert stages across North America and appear in Europe, Africa, and Australia.

Commenting on the new relationship, Mascioli stated, "I have known Michelle Wright since the early years of her career and have watched her evolve into one of North America's classiest entertainers. She is a beautiful woman with enormous talent and I am very pleased to be part of her team as her booking agent for the USA and Europe. Michelle is a force to be reckoned with, and she is moving into the forefront of today's most sought-after attractions.

Mascioli continued, "Established in 1969, Mascioli Entertainment Corporation is a full service entertainment company experienced in booking conventions, casinos, arenas, theaters, night clubs, fairs, festivals and special events. We are committed to putting the full force of our experience behind Michelle's career and look forward to continued growth with Michelle and other artists of her stature." Wright added, "Paul and I have known each other for more than a few years. We respect each other, and we're friends. I'm delighted that we're finally going to be able to work together and I look forward to an enduring and productive relationship."
